About Faculty

Sunil Kumar 15+ years Experince

(Founder & Faculty)

Meet Sunil, a seasoned entrepreneur and visionary **UI/UX leader with over 15 years of experience**. As the former **Head of Design at BrightChamps**, his role speaks volumes about his expertise and leadership.

He is a **digital problem solver**, crafting seamless experiences that truly resonate with users. His design expertise spans various industries, from internet services to education tech, travel, software, and social ventures.

He has left his mark on multiple companies, including **Design Mantras, Fareportal, Proptiger**, and as a founding member of **BrightChamps**, he played a pivotal role in **scaling BrightChamps** from a **small idea** to a **\$500 million company** in just **1.5 years**.

A mentor to over a **1000 students** both online and offline, Sunil is not just a practitioner, he is shaping the next generation of design enthusiasts.

He founded DezinSchool, dedicated to training aspiring designers and **sharing his wealth of knowledge**.

In the startup world, using his design skills to make a lasting impact, and now, through DezinSchool, he's **passing on that knowledge to inspire the designers of tomorrow**.
